SOLVE MEXICAN PROBLEM IN PEACE

President Wilson's Desire Is To Avoid Intervention Or Anything That Would Prduce War

JOHN LIND REACHES MEXICO CITY

President's Personal Representative Will Get Information from a Man Not Identified with Either Faction In the Mexican Republic-Cruiser Tacoma Sent to Take Americans Who Wish to Leave East Coast

declared that no further steps would porting him in his present efforts. of the general situation there.

While the president has mapped out the senate generally. a distinct course of action about which strict secrecy is being maintained, it is known that the instruc-tions to be sent Mr. Lind from time to time will depend largely on devel-opments in the Mexican capital in the

Speak Through Charge O'Shaughnessy Mr. Lind will make all his recommendations to Charge O'Shaughnessy to that whatever representations are transmitted by the latter to the Huer-ta government will differ in no way from the notes the American governthent has hitherto addressed to the gress, who has confidence in the ef-de facto authorities in the Mexican fore he is making to do as little capital. Mr. Lind's connection with as possible to embarrass him in workthem, it was stated, would not be apparent. His mission, it was explained, is to substitute unofficially for Am-bassador Henry Lane Wilson, whose personal views of the Mexican controversy were so pronounced as to make it embarrassing for the administration here to communicate them through

Statement from Senator Bacon. Further enlightenment as to the errand of Mr. Lind and the policy the president has formed came tonight from Senator Bucon, chairman of the senate committee on foreign relations. ain various interpretations of last night's conference between the president and the foreign relations committee, Senator Bacon made the

following statement: The foreign relations committee recognizes that the president is act-Ing in good faith in trying to solve this problem peacefully

The president's undertaking is with that view and in that general purpose the committee is in accord and has confidence in his sincerity and integrity. They recognize that he wishes to settle the question without vioence and for the best interests of the United States and of Mexico course he cannot now be expected to go into all details. In the first place ome of the details are necessarily not it was decided to dispatch a vessel et worked out and depend, in a of light draft to drop into shallow yet worked out and depend, in measure, on developments and the in- harbors along the coast. formation which is to be derived from the methods he is now pursuing. In the second place some matters of de- ward, probably to join the battleships tail, if given out in advance in the off Vera Cruz, present delicate situation, will defeat the very ends sought to be accomplished

Information from New Source. One of the principal objects of Mr. Lind's mission is to get information from a capable and reliable man who has not been identified with either faction in this controversy and upon such information future action, in a measure, will naturally be based.

There are some divergencies of opinion in the committee. It could with the president's desire to avoid in- to receive the news.

Washington Aug. 10.—With the ar-lival tonight in Mexico City of John Lind, personal representative of Pres-dent Wilson, administration officials dence in the president and are supbe taken in carrying out the policy of the United States toward Mexico un-til Mr. Lind had made a careful study I think that is true of both republicans and democrats in the committee and in

> Supporting President Wilson. "While there is a small element in this country that would like to see war, the large majority of the people deprecate it most earnestly and thoroughly sympathize with the desire of the president to avert it There never was a greater respon stillity on a man than now rests on the president of the United States to guard this country against being involved in war on account of Mexico and I believe that it is the duty of every man, inside and out of congress, who has confidence in the ef-

ing out successfully the difficult undertaking." department for several hours today, but except for the messages confirming reports of Mr. Lind's movements there

was no information forthcoming.

For a Constitutional Election.

From-other sources it was learned that the administration will carry out the programme originally planned, being guided by Mr. Lind's reports on the situation. It was stated authoritatively that the American government had no intention of calling on President Huerta formally to resign his office and that any representations made would be to call attention to earlier promises for a free and constitutional election, pointing out that recognition by the United States must be withheld until such elections take

Send Cruiser Tacoma. Secretary Daniels announced tonight that the cruiser Tacoma had been ordered from Newport, R. I., to the east coast of Mexico to take aboard Amerfcan citizens desiring to leave the tursquadron, but as the battleships can go be made to float the vessel. into only a few of the larger harbors The Tacoma will proceed at once to Norfolk for coal and then steam south-

Battle Line of Suffragettes

BROKEN BY POLICE AND LEADER EMMELINE ARRESTED

POLICE SWUNG CLUBS

Militants Marched to Take Asquith's House and Charged Police with Dash and Courage.

London, Aug. 10 .- The third attempt of the suffragettes under command of Sylvia. Pankhurst to take Premier Asquith's house in Downing street by storm failed today when the militant leader was captured by a cordon of police thrown across Whitehall af-ter a stiff fight in which the police

used their clubs.

The trouble began after a mass meeting held under the auspices of the free speech defense committee which was called to demand the uncondi of commons, who was sentenced July 30 to three months' imprisonment for making inflammatory speeches, but who was released August 2nd under the "cat and mouse act" while on s

hunger strike. Spoke from Nelson Column.

Miss Pankhurst had refused an invitation to make a speech at this neeting when informed that she would not be permitted to urge her hearers o march upon Downing street. The free speech speakers today advised the crowd not to attack the premier's residence, but at the close of their meeting Miss Pankhurst, true to her promise made last week, mounted the plinth of the Nelson column and in words ordered her sympathiers

to follow her.

Flying Wedge of Dockmen. Hatless, her hair bound close to her head, the young militant leader started down Whitehall surrounded by several women carrying the Women's Social and Political Union flag surmount-ed by a red liberty cap and preceded by a flying wedge of dockmen and

other husky east enders. Police Strategy. The squads of police in Trafalgar square allowed the procession to leave higher suffragette sympathizers saw the reason for this strategical move when they found a battle line of heavy policemen

eral of the forces.

Fifteen Arrests Made.

The militants attacked this line

with such dash and courage that a few of them penetrated the first cordon, where the fight became so fierce that the police used their clubs, Reserves of police then rushed up and Sylvia Pankhurst and five other women and nine men were arrested and taken to the police station in taxicabs. Police Cleared the Streets. Disheartened at the fate of their

leader, the mob sullenly dispersed. The police, blaming the suffragettes for many months of enforced Sunday work, cleared the streets with unusual roughness, mounted officers riding der and bombs by ultra-violet rays down women and children without discrimination. Miss Pankhurst Reported Hurt.

> who carried a suffrage banner during the fight, said tonight that Miss Pankhurst was badly injured during the Chanted at Westminster Abbey. The morning service at Westminster Abbey was interrupted by twenty suffragettes who repeated the scene

Individuals now holding land may continue to do so during their natural life, but may not devise it to Japanese heirs. Corporations formed before the law goes into effect may hold land for 50 years. A number of such corpora-

tions have recently been recorded. 'No object of the law has been defeated by these corporations," says At-torney General Webb, who revised the bill into its present form. "The law was not intended to force Japanese now owning land to part with it at once or within any fixed period. They were to be permitted to hold it during their lives. By forming corporations

they merely extended their time of "But after Aug. 10, the object of the law, which is to prevent an increase in the amount of alien holdings and grad-

SIX FARMS FOR

LARGE PRIVATE ESTATE. of 1913. Estimating the length of each | Bought in Suffield by George M. Hendee of Springfield.

> Suffield, Conn., Aug. 10 .- Six farms in this town, comprising about 152 acres, have just been bought by George M. Hendee of Springfield, Mass., who plans, it is said, to convert the land into a private estate and to build a large home there. The tract includes about 75 acres of timberland. The price paid was in the aggregate \$37,000, the transaction, which was completed Saturday, being the largest real estate deal recorded in the local town clerk's office in years.
